Goals :

- Use the socials as a way to engage new freshers and ensure they have necessary info about training and events.
- More up to date photos and improvements on the website (other useful pages, example routine videos etc)
- Have Google Drive folder set up pre-comp to make it easier to upload and locate photos and videos
- Include other useful pages and information on the website
- Design some cool t-shirts and other merch (joggers, smaller bits like wristbands etc)

Thank youuuuuuu!

p.s. I don't have Split
